None of us would be here if it weren't for our mothers. Today we honor them and say thanks for all that they have done for us. In the Bible we find at least six great mothers who were critically important for the development of God's plan for His people. These six could be considered great mothers. Note however the one element that was needed in their lives.

I. Eve needed a _____. Genesis 2:18,3:1-6, I Timothy 2:13-15

II. Sarah needed a _____. Genesis 12:10-16, 16:1-2

III. Naomi needed a _____. Ruth 1:15-17

IV. Hannah needed _____. I Samuel 1:9-11

V. Bathsheba's need _____. II Samuel 12:15, 24-25

VI. Mary's need _____. Luke 1:26-38

V. Application for today.
